Tourist Tax

As of April 1 2021, international travellers that are 15 years or older visiting the Mexican state of Quintana Roo, where Cancún, Tulum, Playa del

Carmen, and Cozumel are situated, are required to pay a tourist tax known as Visitax.

This payment can be made before, during, or after your trip, but it must be paid before boarding your departure flight.

At the time of writing, the Visitax costs \$224 Mexican pesos (USD \$11) per visitor. Once the payment is made, you will receive a QR Code that must be shown at the airport before leaving Mexico.

Passport/Visa

Visa exemption applies to citizens of all EU countries, most countries in the Americas, Australia, New Zealand, Japan, South Korea, and

more. Both tourists and business visitors from these countries may stay in Mexico for up to 180 days. For Russian, Turkish, and Ukrainian passport holders, electronic authorisation (SAE) is required, which then grants travellers from these countries the right of a single entry followed by a stay of up to 30 days. Please consult an official source/consulate in your home country for the latest information on visa requirements.

When travelling to Mexico, you will need to fill out a Forma Migratoria Múltiple (FMM), which is essentially a visitor's permit for Mexico. All travellers are encouraged to do so online prior to travel and present the printed out document upon entering the country.

Best Time to Visit

March to June represents the best period to visit the island of Cozumel and enjoy its pleasant temperatures. Cozumel is also a hit spot during the

winter. Being a snow-free island, it is the perfect place to soak up the sun.

The low season runs from July to November. During this time, the island is quieter, and accommodation rates are lower, but keep an eye out for hurricane warnings as they are rather

frequent during this time of the year. Every season is characterized by a particular event or festivity. Here are some highlights:

- Fiesta of the Virgin of Guadalupe (December)
- Carnaval (February-March)
- El Cedral Festival (April-May)
- Boat Rodeo and Fishing Tournament (May)
- Cozumel Independence Day (September)
- Ironman Cozumel (November)

Taxi

Taxis are the easiest way for cruise passengers to get from the port to downtown and vice versa. Taxi fares are relatively cheap (particularly if

compared to other countries) and depend on the different zones you want to reach. Since 2016, all taxi drivers must produce a list of fares before taking on a passenger.

Taxi stands can be found just outside the pier. Also, rideshare companies, such as Uber and Lyft do not operate on the island of Cozumel.

The best option to explore Cozumel for bigger groups or families is by renting a van service. Uniper Cozumel has a fleet of more than 60 vehicles that can accommodate from 20 to 50 passengers.
