SÄFSEN RESORT

BaseEste (image cropped)

Year round, there is much to see and experience for the whole family in Säfsen. For the smallest is "Säfsen KIDS" a favorite and for those who enjoy nature experience we have hiking, canoeing and horseback riding. Between December to April Säfsen transforms into a true winter paradise, where skiing, snowmobile tours and after ski is in focus, of course, we have adapted all activities for the whole family with a focus on the smallest. Looking for speed and excitement during the snow-free season we recommend our downhill park, it gives guaranteed an adrenaline rush. Maybe you love good food and drinks? If so, you will certainly enjoy our restaurants and bars. Are you longing for relaxation will certainly be our new Wilderness Spa your oasis. In addition, Säfsen Conference conference facilities for up to 400 people.

Thanks to its central location in Sweden Säfsen Resort has become a very popular destination all year - here it is easy to reach from both the southern and central Sweden. From Gothenburg: 340 km, Stockholm 270 km, Örebro 120 km

DO & SEE

New Africa/shutterstock.com

Säfsen is at its best in wintertime, and there is plenty to do both for the young and old. Säfsen Alpin has no less than 17 slopes and 7 lifts. In our forests there are 115 km of fine cross country tracks that will give you and your loved ones a lovely and exciting winter holiday. Besides skiing, there are many other speedy or relaxing winter activities to choose from.

Snow-free season: Säfsen is a paradise for nature-oriented activities. With the magnificent nature around the corner we offer a variety of activities such as hiking, canoeing and horseback riding. Säfsen's green season offers recreation and adventure for the whole family. Try something new, or just relax and enjoy the fresh air, beautiful scenery and untouched wilderness. It's up to you if you want to participate in guided activities or hike and paddle on your own and at your own pace. With us you can take it easy or go active at full speed, according to need and interest.

Skiing

17 slopes, 7 lifts and 115 km cross country tracks gives you and your loved one a lovely and exciting winter experience. In addition to skiing, there

is a wide variety of action-packed or relaxing activities for the whole family.

At the Reception in Hyttan or at Säfsen Alpin there is a overviewing map of the slopes/tracks to get.

Hiking

In Säfsens fine surroundings, you might as well make short simple family outings as more demanding long walks. The road to the many fine

hiking destinations in the surrounding nature provides as much benefit as the target. For those looking for a little more challenge are organized wilderness hiking in hilly terrain. Then a robust boot is a must because the hike misses paths.

At the Reception in Hyttan there is a complete overviewing map to retrieve.
